

When Nicole Prause's attempts failed to remove documentation of her defamation and harassment from YBOP, she turned to threatening YBOP's web host Linode with a bogus cease & desist letter, penned by sex-industry lawyer Wayne Giampietro.

Wayne Giampietro's lie-filled cease & desist letter (Prause failed to provide a screenshot or URL, because her address was not on YBOP):

Re: Dr. Nicole Prause; Your Brain on Porn

Dear Mr. Aker:

We are counsel to Dr. Nicole Prause. Your organization is the web host for the website "https://www.yourbrainonporn.com" which is the vehicle by which Gary Wilson has engaged in a constant barrage of untrue, defamatory attacks upon Dr. Prause. Among other things, Linode, LLC maintains a data center in Fremont, CA. Since Linode, LLC is engaged in business in the State of California, it is subject to the laws of that State.

We are herewith serving upon Linode, LLC, a Written Demand pursuant to California Government Code Section 6208, that it cease and desist from publicly posting or displaying on the Internet, either through the web site "https://www.yourbrainonporn.com" or in any other manner, any information which identifies Dr. Nicole Renee Prause or her home address. The complete formal demand is enclosed herewith, as well as a copy of California Government Code Section 6208.1.

Should Linode, LLC fail to heed this demand, Dr. Prause reserves the right to commence suit against Linode, LLC pursuant to the terms of that statute, which suit will seek the damages authorized by that statute, plus Dr. Prause' attorneys fees.

I am available to discuss this matter at any time during normal business hours, should you wish to do so.

Very truly yours,

Wayne B. Giampietro

Linode never informed me about Prause's bogus C&D letter because they had no reason to act on it. Instead, the above C&D was forwarded to me from the owner of a YouTube channel whom Prause successfully silenced with her threats. The young man was frightened into deleting his video that contained screenshots of YBOP pages documenting her defamation/harassment. Prause falsely told him that I was violating her rights because her home address was on YBOP. She cited California's "Safe At Home" regulations and her bogus C&D letter (above).
